

St. Mary's Catholic Primary School

Spring Term 2020

Year 5

Curriculum Letter

Dear Parents,

We hope you had a restful and peaceful Christmas and that your children are feeling refreshed to be back to school. There is a lot going on, much of which is detailed in this letter, but we will of course continue to keep you informed about upcoming events as we move towards the Easter holidays.

If you have any questions please feel free to come into school to speak with us.

Miss Daulton

PE

PE continues to take place on a Thursday and Friday. Children will need a full kit in school on both days. While the weather continues to be inclement please ensure that a tracksuit, additional trainers and a carrier bag for wet/muddy clothing is included in the PE bag. Swimming will also be on a Monday afternoon. All pupils will need to bring a towel, swimming costume/shorts and a swimming hat.

Homework Expectations

Children will continue to be given homework weekly in Literacy and Maths. Children will receive Literacy on Thursday and Maths on Friday. They are due the following Monday.

In addition to this, class homework will also be given out each week on Tuesday. This work is due back on Thursday.

We ask for your continued help and support with encouraging your children to complete and hand in homework independently, on time and to a high standard.
