

St. Mary's Catholic Primary School
Autumn Term 2020
Year 5
Information Letter

Dear Parents,

We hope you had a restful summer and the children are settling back into school life well after such a long time. Things are going to be quite different as we head towards Christmas but we will of course continue to keep you informed as you go along. If you have any questions or concerns, please feel free to call the school office and I will be more than happy to return your call.

Miss Daulton

PE

PE continues to take place on a Thursday and Friday. Children will need a full kit in school on both days. While the weather continues to be inclement please ensure that a tracksuit, additional trainers and a carrier bag for wet/muddy clothing is included in the PE bag. There will be no swimming during this term.

Homework Expectations

Children will continue to be given homework weekly in Literacy and Maths. The homework will be set on Google classroom in order to minimise work being taken in and out of school. The children have homework books for both subjects, but these are to be kept at home. Tasks set should be done in the homework books where possible and a photograph uploaded to classroom. This ensures that screen time is kept to a minimum. Work will be set on a Thursday each week and we ask that both pieces are submitted before 6pm on a Sunday. In addition to this we ask that children read for at least 10 minutes every evening. Times tables and other maths facts can also be practised regularly. If you have any questions or queries relating to homework, please email the school office.
