

# St Mary's Catholic School

A doorway to a life of love and learning in the light of Christ

“ At St Mary's our aim is to provide a community where children feel safe and happy, encouraged to learn and free to grow. We believe that all children should be equally valued in school. We strive to eliminate prejudice and discrimination and promote positive behaviour, rewarding the good and therefore creating an ethos of kindness, respect and cooperation.

St Mary's Catholic Primary School is an integral part of the Parish of the Immaculate Conception where Canon John Batthula is our Parish Priest. We attribute our good reputation to the harmony that exists between home, school and parish and the fact that Christ is at the centre of all our endeavours. ” **Miss Patricia Pickering, Head Teacher**

As you make the choice of your child's primary school we welcome direct contact from parents via phone or office email to arrange individual visits or meetings with the head teacher.
